Mobile Application Developer Intern

Description

We are offering a 6-month internship program designed to provide hands-on experience in Information Technology. Successful completion of this internship may lead to future job opportunities within our organization.

Responsibilities

- Acting as lead iOS and/ or Android developer. Depending on the skills set can be lead on one platform and play a supporting role across the other
- Working closely with another mobile app developer leading the other platform development
- Deliver across the entire app life cycle –concept, design, build, deploy, test, release to app stores and support
- Working directly with developers and product managers to conceptualise, build, test and realise products
- Gather requirements around functionality and translate those requirements into elegant functional solutions
- Build prototypes at tech scoping stage of projects
- Working along the web developers to create and maintain a robust framework to support the apps
- Working with the front end developers to build the interface with focus on usability features
- Create compelling device specific user interfaces and experiences
- Standardising the platform and in some cases apps to deliver across multiple brands with minimal duplication of effort
- Optimising performance for the apps
- Keep up to date on the latest industry trends in the mobile technologies
- Explain technologies and solutions to technical and non-technical stakeholders
- Attend industry events/ conference – both attending and presenting
-

Qualifications

- BSCS, BSSE, B.Tech(Computer Science and Engineering) MCA M.Tech (CSE/IT/ECE/ME)
- Strong communication skills

Terms and Conditions:

- **Certification:** The internship certificate will be granted only after successful completion of the full 6-month term. Failure to meet performance standards or early withdrawal from the internship will result in the certificate not being issued.
- **Job Opportunity:** Completion of the internship does not guarantee employment. However, high-performing interns will be considered for future job openings based on merit and business needs.
