SEO Intern

Description

We are looking for a motivated and detail-oriented **SEO Intern** to join our digital marketing team. This role is ideal for someone who is passionate about search engine optimization and eager to gain hands-on experience in improving website visibility and performance on search engines.

Responsibilities

- Assist in keyword research and analysis using SEO tools
- Optimize website content, meta tags, and headings for search engines
- Support in on-page and technical SEO audits
- Monitor website performance using tools like Google Analytics and Search Console
- Help in building backlinks through outreach and directory submissions
- Conduct competitor analysis to identify growth opportunities
- Assist in creating SEO-friendly content (blogs, landing pages, etc.)
- Track and report SEO performance metrics
- Stay updated with the latest SEO trends and algorithm updates

Qualifications

- Basic understanding of SEO concepts and digital marketing
- Familiarity with tools like Google Analytics, Google Search Console (preferred but not required)
- Strong analytical and problem-solving skills
- Good written and verbal communication skills

Job Benefits

- Practical, real-world SEO experience
- Opportunity to work on live projects
- Mentorship from experienced professionals
- Potential for full-time employment based on performance
