UI/UX Designer Intern

Description

Boundless Technologies is looking for a user-obsessed **UI/UX Designer Intern** with hands-on experience in **Figma**. You'll work on real app and web projects, building seamless digital experiences from wireframes to high-fidelity prototypes.

Responsibilities

- Design intuitive, user-friendly interfaces for web and mobile platforms using **Figma**
- Create wireframes, mockups, style guides, and interactive prototypes
- Conduct competitor research and suggest improvements in UI/UX flows
- Work collaboratively with developers, content writers, and product teams
- Maintain design consistency and responsiveness across devices

Requirements

- Must have working knowledge and **portfolio in Figma**
- Understanding of UX principles, user flows, and visual hierarchy
- Strong attention to detail and ability to follow design systems
- Passion for problem-solving, innovation, and design thinking
- Portfolio showcasing UI/UX projects in Figma is **required**
